

MGM GRAND®

maximumVegas.SM

*Step out of your world and into ours.
No themes. No gimmicks. Just pure Las Vegas,
and then some. Vegas to the nth degree.
Vegas concentrated. An authentic, higher-energy
version of the original. The dining. The shows.
The concerts. The gaming. The nightlife. The service.
The buzz. Everything is better. Take a look
for yourself. See why we are maximum Vegas.*

STARGAZE.

Hold your lighter high. Mouth the words to your favorite songs. And hear why "in stereo" is no substitute for "live from MGM Grand."

Entertainment

Grand Garden Arena, our showcase concert venue, seats over 17,000 and hosts the most prestigious concerts and sporting events. The intimate **Hollywood Theatre** puts you within arm's reach of entertainers such as Tom Jones, Howie Mandel and David Copperfield. Direct from the Crazy Horse, Paris, **La Femme** is a completely original show that celebrates the artistry of the nude. Check for show times and upcoming events. Be sure to get your name on the ticket list.

HAVE FUN.

Look through any guide to Vegas and you'll notice that some of the most highly touted nightclubs and bars are actually right here at MGM Grand.

Nightlife

Zuri has quiet, lounge-like chairs where you can anonymously chat with a friend. Or sit at the bar for some interesting people-watching. Go behind the velvet rope at **Studio 54**, the legendary '70s nightclub. With two stories of music and bars, Studio 54 is where to see and be seen, and is without a doubt the hottest nightclub in Vegas. **Tabú**, the ultra lounge, is an entirely new concept with models for servers, fashion imagery projected on walls and interactive tables. Fashionably cosmopolitan. Very cutting-edge. You're invited. Your inhibitions aren't.

SWEET DREAMS.

A rare occasion in Vegas: you actually want to
spend more time in your room.

Accommodations

If MGM Grand is about maximum Vegas, our rooms are about maximum comfort. Our standard rooms are really deluxe rooms, adorned with marble-laden bathrooms and luxury linens. Rooms have office nooks. And room service attendants are always just a call away. Imagine what you'll get when you upgrade to a celebrity spa suite or a bungalow.

DINE IN.

Tom Colicchio. Michael Mina. Michael White.
Emeril Lagasse. The names behind our restaurants
read like a culinary "who's who" list.

Signature Dining

There's **Craftsteak**, with incredible entrees inspired by James Beard award-winning chef Tom Colicchio. There's **NOBHILL**, inspired by San Francisco and prepared by James Beard award-winning chef Michael Mina. There's **Fiamma**, the James Beard nominated Italian trattoria. And **SEABLUE**, our new seafood restaurant. There's **Pearl**, carefully crafted and absolutely delicious Asian cuisine. **Emeril's** creates its own fresh and distinct blend of Creole/Cajun cuisine as good as you'll taste in any French Quarter restaurant. To think, those are just our fine dining restaurants.

DINE OFTEN.

*In the mood for something a little more casual?
We've got it and a whole lot more.*

Casual Dining

MGM Grand Buffet is open every day for breakfast, lunch and dinner. Studio Café is open 24 hours, serving breakfast, lunch and dinner. The Grand Wok offers a culinary cross-section of Chinese, Japanese, Thai, Korean, and Vietnamese. Part adventure and part restaurant, the Rainforest Café has lush vegetation, cool mists, cascading waterfalls and creatures indigenous to the rainforest. MGM Grand has something for everyone, every hour of the day.

PLAY GAMES.

*Pull a slot. Play some blackjack.
Some baccarat. Get in on a craps game. Bet on
the sure thing at our race and sports book.*

Gaming

The roulette wheel never stops spinning. The dice never stop rolling. The cards never stop falling. And the constant “ding, ding, ding” reminds you that people never stop winning. That’s because the 171,000-square-foot casino floor gives you plenty of space to spot the next hot streak. Go ahead. Be a part of the rush. Anything can happen. And when it does, be sure to place your hand on your chest. Feel that? That’s the heart of MGM Grand beating.

UNWIND.

Two quiet sanctuaries where you can take a deep breath, clear the mind and remove the weight of the world from your shoulders.

The Grand Pool

Over six acres of tropical bliss. Bright, azure water winds its way through lush vegetation. Waterfalls tumble into pools that spill into a lazy river that flows under bridges and around shade trees. Five swimming pools. Three whirlpools. A seasonal poolside restaurant. And the chaise lounges always have a server close by.

The Grand Spa

30,000 square feet of stress-melting "me time." Kinks, meet your demise. Thirty treatment rooms, saunas, steam rooms, whirlpools and relaxation lounges provide a world-renowned arsenal of therapies with one mission: to make you feel like the most pampered person in the world.

GO SHOP.

What would your visit to MGM Grand be without a little take-home memento?

Shopping

A stroll down **Studio Walk** helps scratch that shopping itch. You'll discover an assortment of retail boutiques. There are women's and men's apparel, fine jewelry, souvenirs and fine art, not to mention many other shops including **The Watch Boutique**, **Bernini**, and **Marshall Rousso**. Go check it out. And remember, you're close to your room. So if you run out of hands to carry everything, you can always head back to your room to drop some things off. The stores will still be there when you return.
